A Customer Code is a unique identifier that we use to ensure the protection of your personal information. You will have to enter your customer code during the Digital Phone statement registration process, which you will have to complete before you can view your Time Warner Cable Digital Phone call details online.

You have a new Time Warner Cable subscriber agreement, which contains an arbitration clause and other important terms. You can review the new agreement and, if you wish, 'opt out' of the arbitration clause at <http://help.twcable.com/html/policies.html>

When you mail a check payment, you authorize Time Warner Cable to use information from your check to process a one-time Electronic Funds Transfer or process the payment as a check transaction. If you do not want your mailed check converted to an electronic debit, please call (800) 438-4400.

Customers should file customer service complaints, first with the Cable Service Provider. Unresolved customer service complaints may be filed with the S.C. Department of Consumer Affairs by calling 1-800-922-1594, PO Box 5757, Columbia, S.C. 29250
